### Material needed for the Building Construction

| Sl.No | Things                | Quantity             | Amount          |
|-------|-----------------------|----------------------|-----------------|
| 1.    | Binding wire          | 20 kg                | 2,000           |
| 2.    | Rod 12mm              | 72 nos               | 54000           |
| 3.    | Rod 10mm              | 44nos                | 33,000          |
| 4.    | Rod 8mm               | 14nos                | 10,500          |
| 5.    | Ring 7/7              | 350 nos              | 6,000           |
| 6.    | Ring 7/10             | 250                  | 4,500           |
| 7.    | M sand                | 6 unit               | 36,000          |
| 8.    | Jelly ¾               | 4 unit               | 18,000          |
| 9.    | Cement                | 100 pkt              | 38,000          |
| 10.   | Mud                   | 4 load               | 26,000          |
| 11.   | Window, door          | 4 x 2 + toilet doors | 60,000          |
| 12.   | Hollow Block          | 1200                 |                 |
| 13.   | Brick                 | 1500                 | 16,000          |
| 14.   | Electrical & Plumping |                      | 6,000           |
| 15.   | Tiles with labour     |                      | 62,000          |
| 16.   | Painting              |                      | 50,000          |
| 17.   | Sheet & Pipe          |                      | 25,000          |
|       |                       | <b>Total</b>         | <b>5,06,000</b> |

### Roof Material

|    |               |              |                 |
|----|---------------|--------------|-----------------|
|    |               |              |                 |
| 1, | Rod 12 mm     | 8 nos        | 13,500          |
| 2. | Rod 8mm       | 40 nos       | 30,000          |
| 3. | Rod 10mm      | 40 nos       | 30,000          |
| 4. | M sand        | 4 unit       | 23,000          |
| 5. | Jelly         | 4Unit        | 18,000          |
| 6. | Cement        | 90 pkt       | 37,800          |
| 7. | Centering     | 9 Square     | 27,000          |
| 8. | One feet beam |              | 80              |
| 9. | Total Labour  |              | 2,70,000        |
|    |               | <b>total</b> | <b>4,19,300</b> |
|    |               |              |                 |
